## **NOVOMATIC to display products on Ainsworth stand at G2E Asia**

***Sharing a stand with Ainsworth Game Technology (AGT) for the first time at G2E Asia, a range of NOVOMATIC product innovations will be on prominent display at the Venetian Macao on May 16-18. The latest slot and bingo machines with market-attuned content will be featured on Stand #1305, alongside key system solutions, and demonstrate the ongoing expansion of NOVOMATIC in the Asia-Pacific region.***

NOVOMATIC, supported by its official distributor in the region Jade Entertainment and Gaming Technologies, will showcase a range of products on the stand of AGT at the eleventh edition of G2E Asia in Macau. A bank of sleek GAMINATOR® Scorpion cabinets will stand at the front of the stand, featuring a wide range of content including the NOVO LINE™ Interactive Macau 1 game mix. From the V.I.P. cabinet line will be the space-optimized V.I.P. Lounge™ with brand new content as well as a special version of Globe Roulette™ that has recently been approved in Macau.

On show for the first time at G2E Asia will be cutting-edge video bingo machines by Otium, which became part of the NOVOMATIC Group last year. A spotlight will be on the OT-100 cabinet, which is already proving a major success in the Philippines, updated with new features such as LED animations, a USB charger and optional modular separators. The machines will feature leading bingo titles such as Bingosaurus and Multi Dragon, as well as standalone and linked jackpots.

With an increasing number of installations throughout Asia, the Octavian ACP – Accounting Control and Progressives – casino management system will be returning to G2E Asia. The systems specialist of NOVOMATIC will be on hand to present new modules, including intelligence, reporting, player loyalty and marketing. In addition, as part of the ACP system will be diverse progressive and mystery jackpot solutions.

### **About NOVOMATIC**

*The NOVOMATIC Group is one of the biggest international producers and operators of gaming technologies and employs more than 29,000 staff worldwide. Founded by entrepreneur Professor Johann F. Graf in 1980, the Group has locations in*
